Ведущий 1: Hello, dear friends and guests! Today we celebrate one of the best holidays, which young and old people love. It is St’ Valentine’s Day!

Ведущий 2: St’ Valentine’s Day is a religious holiday, which is celebrated in Great Britain, in many European countries and in the USA. St’ Valentine’s Day has roots in several legends.

Ведущий 1: One of the early symbols of love is Cupid, the Roman God of Love, who is represented by the image of a young boy with bow and arrow.

Ведущий 2: Valentine was a Christian priest in Roman empire three hundred years after the death of Jesus Christ. He had been thrown in prison for his teaching. On the 14th of February Valentine was beheaded, not only because he performed a miracle – he cured the jailer’s daughter from her blindness the night before he was executed – but he wrote a letter to the girl, signing it “ From Your Valentine”.

Ведущий 1: Dear friends, what legends about this day do you know? Please don't be shy tell them to us.

Pupil 1: Another legend tells us that Valentine was an Italian bishop who lived in about the same time. He was imprisoned because he secretly married the couples, contrary to laws of the Roman emperor.

Pupil 2: The 14th of February was also a Roman holiday, held in honour of the Goddess of Love. Young men by lottery chose the name of a young girl to escort to the festivities. The custom of choosing the sweetheart on this date has continued to our days. People still believe that birds pick their mates on the 14th of February.

Ведущий 1: And now we'll have the game between boys and girls. First let's choose the couples.

Ведущий (мальчик) предлагает девочкам половинки разрезанных сердечек, ведущая дает мальчикам другие половинки. Соединив половинки, получаются пары. Они садятся рядом друг с другом, им прикрепляется номер.
